COMPANY OVERVIEW

Airborne Outfitters is a Service-Disabled Veteran-Owned Small Business (SDVOSB) dedicated to providing the US Government and partner nations with a comprehensive range of products and services. With a strong focus on innovation, problem-solving and customer satisfaction, we deliver prompt and hard to source solutions to our defense, maritime, aerospace, and industrial-based clientele.

Our ultimate goal is to support the war fighter and provide superior value to our partners. We strive to be the premier SDVOSB supply chain integrator, delivering highly engineered solutions and services. With our dedication and commitment, we aim to become the trusted small-business supply chain partner of choice in the Defense Industry.
