5
Dedication
to Customer
Satisfaction

COMPANY OVERVIEW

Airborne Outfitters is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing the US Government and partner nations with a comprehensive range of products and services. Focused on innovation, problem-solving, and customer satisfaction, we deliver prompt, hard-to-source solutions for defense, maritime, aerospace, and industrial clients. Our goal is to support the warfighter and deliver superior value, striving to be the premier SDVOSB supply chain integrator and trusted partner in the Defense Industry.
